

WHO WE ARE

A nonprofit student organization at the **University of Illinois Urbana-Champaign**

Empowering **future leaders** at the intersection of business and engineering since 1998

Providing students with real-world experience through **impact-driven projects** with established companies

Developing hands-on, interdisciplinary skills in **technical** and **strategic problem-solving**

Preparing members to lead in **fast-paced, evolving industries**

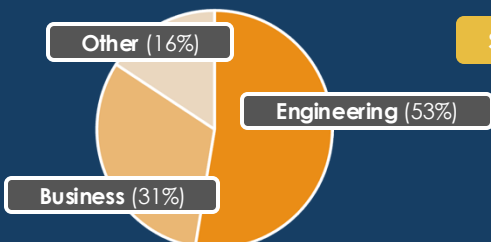

We invite you to partner with us for early access to standout talent, meaningful brand exposure, and a chance to help shape the next generation of innovators.
